GET READY FOR CAMP

unfinished, unstarted or mostly finished projects to work on and we will enhance your stash with several special camp kits!

It's a great time to see what others are working on, get help with a troubling technique and just retreat from the stresses of everyday responsibilities.

Our theme this year is snowmen and since Daylight Savings Time ends this weekend, we are looking forward to an extra hour of stitching!

About Mel & Mary's Cottages

What can we say? We like Mel & Mary's so much that this is our third year there! Each of the cottages has two bedrooms with one queen bed each, one full bath, a sitting room with gas fireplace, kitchenette and dishes. The suites are just as luxurious!

The grounds offer a hiking trail, a fishing pond and plenty of relaxation. We'll be greeted by outdoor dogs Tango & Cleo and, if the weather cooperates, eat smores by the outdoor fire pit. (We've discovered microwaving smores works just as well!)

OPTIONAL CLASSES

Saturday Morning - \$22

Wait 'til you see this cute scissor fob idea! It uses a beading technique seen in bracelet making and incorporates JABC buttons. Once you get the technique of bead stringing down you can adapt it to many other ideas. A zipper fob for your project bag, key chain, Christmas ornaments, bracelets - these are just a few of the ideas for the technique.

Saturday Afternoon - \$15

Punch needle can be used to create jewelry, clothing embellishments and more. It's fast, fun and easy to do. Punch needles will be provided for class but are not included in the price of class. We will have them in the Camp store after class for purchase.

Registration

Registration begins today! You may register online at <http://www.campgottastitch.com> where you may use the online form or use the form to the right. Your \$50 deposit secures your spot—we cannot take verbal commitments. We will take installment payments of any amount at any time up until the final payment date, September 4th. **All payments are non-refundable.**
